

LEGENDS

R E B O R N

En un mundo lleno de personas con habilidades sobre naturales...

Algunas buenas y otras no tanto...

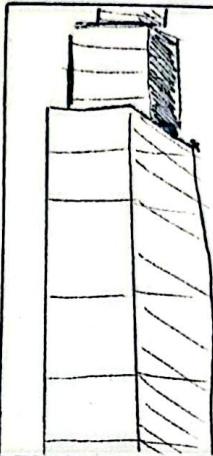

En los últimos años, han surgido reportes sobre individuos con habilidades fuera de lo común.

Muchas personas reportan la aparición de un nuevo "héroe" rondando en las calles.

Al parecer este es muy joven y tiene habilidades eléctricas, según las descripciones.

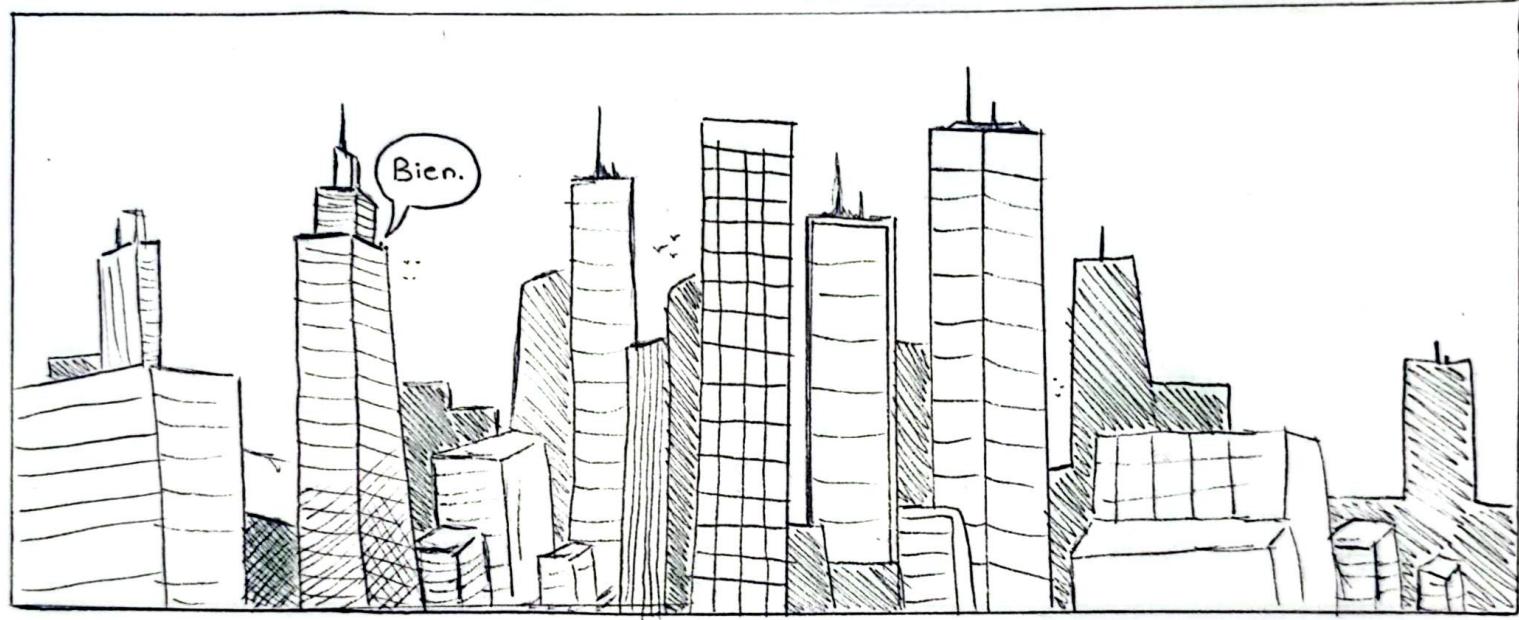

Aquí tenemos el testimonio de una mujer, ella jura que este nuevo héroe la salvó de un asalto hace unos días.

"Ese nuevo héroe me salvó de un ladrón hace muy poco, gracias a él no salí lastimada y no me quitaron mis pertenencias."

Parece que tengo buena reputación.

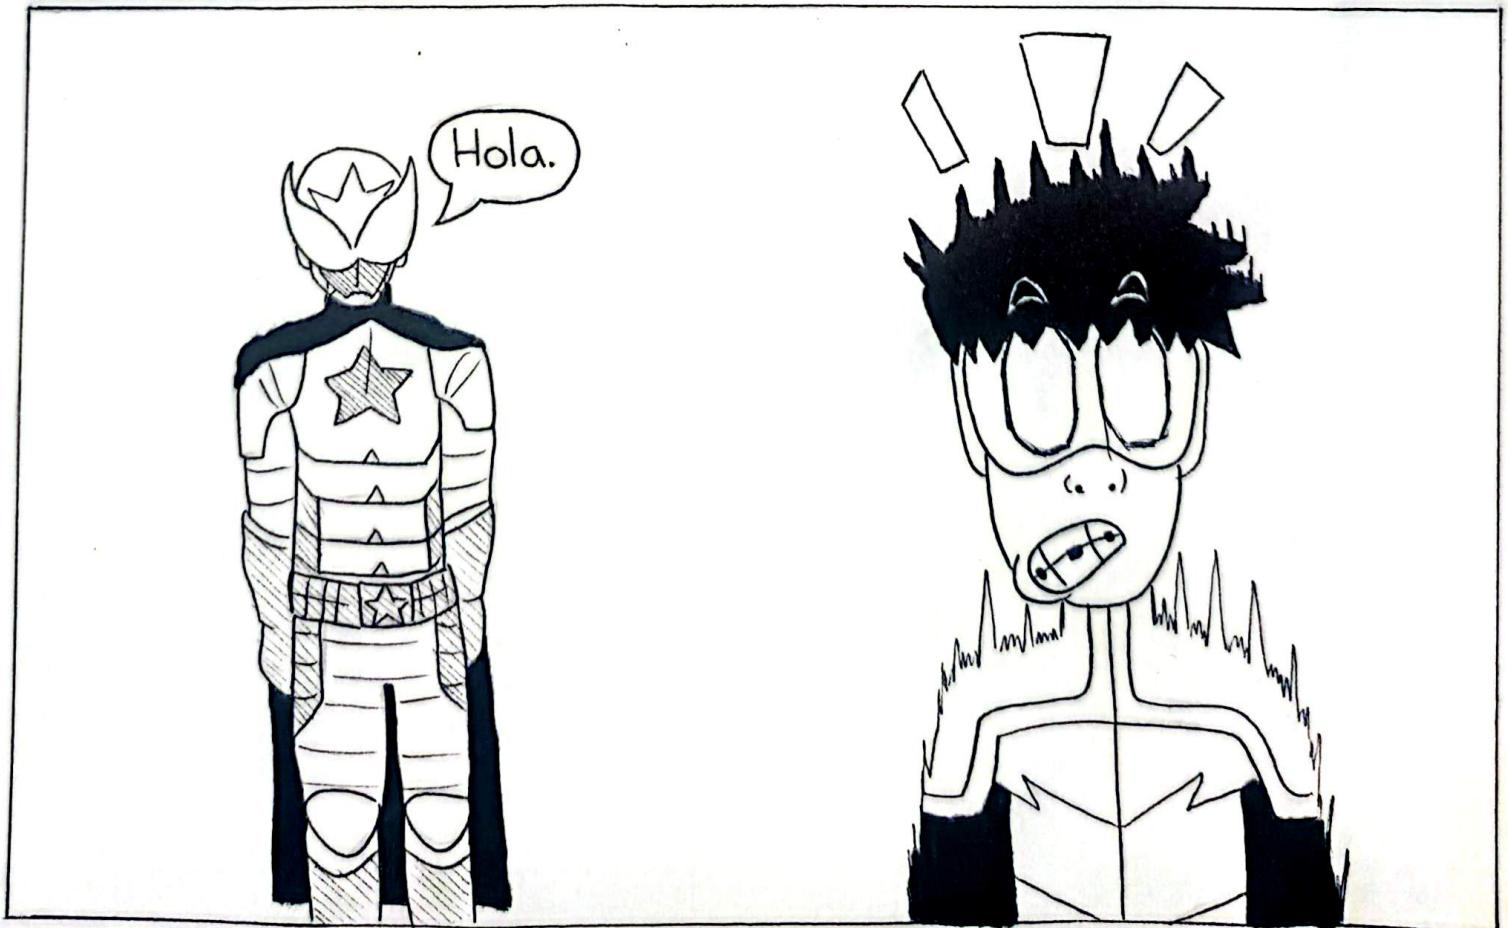

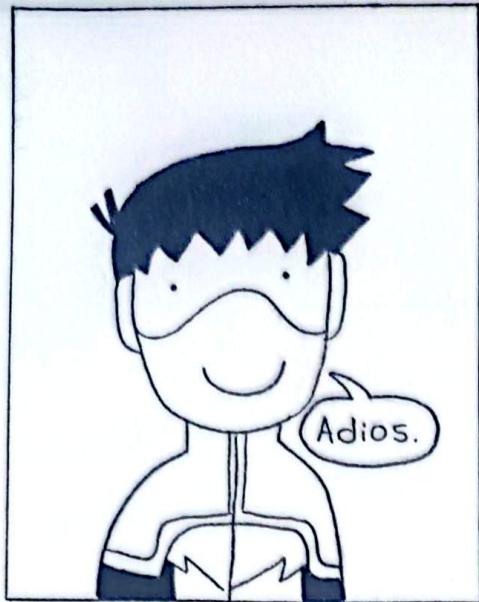

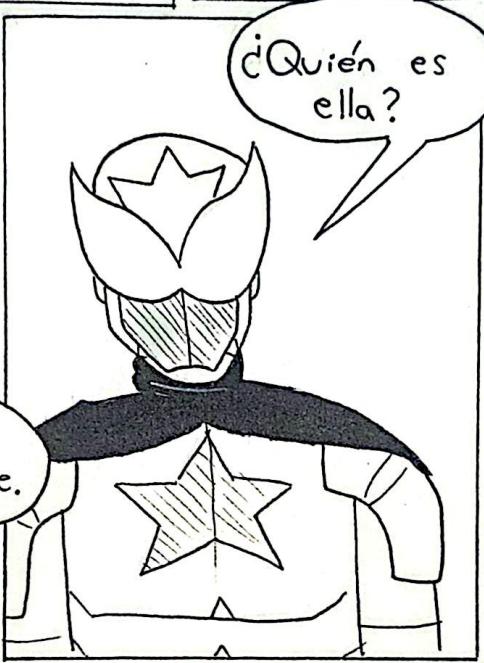

Es decir... Gracias por el traje, la vez pasada no te pude agradecer...

No hay de que, no podía dejar que anduvieras en ese pijama.

Jejeje...

Bueno, ya me tengo que ir.
